Disclosures Regarding the Proposed Action

Determination of Mandate

The Director of Industrial Relations has determined that the proposed regulations do not impose a mandate on local agencies or school districts or a mandate requiring reimbursement by the State pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code because the proposed amendment will not require local agencies or school districts to incur additional costs in complying with the proposal. Furthermore, these regulations do not constitute a "new program or higher level of service of an existing program within the meaning of Section 6 of Article XIII B of the California constitution."

Cost or Savings to Local Agencies or School Districts Required to be Reimbursed

No costs to local agencies or schools are required to be reimbursed in accordance with Government Code Sections 17500 through 17630.
